## **President's Welcome**

Good Evening and welcome on behalf of the Board of Trustees and the entire SAMA family. I want to thank you for attending *Woodstock: An Aquarian Experience* among the beautiful gardens of SAMA Ligonier Valley.

Many of SAMA's functions in 2020 and 2021 were forced to be cancelled due to COVID-19. Like all businesses and non-profits, SAMA had to limit public access to all five museum locations. This year, more than ever, your attendance and donations have been crucial, and SAMA thanks all our guests for their continued support.

SAMA's education, veterans and healthcare programs, and individual artist presentations create a wonderful experience for both children and adults in the six counties we serve in southwestern and central Pennsylvania.

A BIG thank you to our event sponsor, the Somerset Trust company, and especially to Kristin Miller the fundraiser organizer along with the entire Garden Party committee for their hard work in making this grand event a success. Special thanks to Barbara and Ed O'Brien for their charitable generosity, Joan and Jerry Hawk our bar sponsor, the Diamond Theatre actors for their superb entertainment, Sendell Subaru for bringing a sixties beetle for display, Pattie Jones and Rita Haldeman our game sponsors, and last but not least, much appreciation to the SAMA-Ligonier Valley Auxiliary, event sponsors, and advertisers for their hard work and making this evening a grand success.

Thank you all for joining us - enjoy the evening.

# **SAMA Welcome's our new Board Members - and they welcome you!**

I am honored to have been chosen to serve on the SAMA Board of Trustees. I was an Art History major, spent most of my professional life working in schools, and am an amateur painter, so SAMA's mission to promote art and art education is one I can fully support. I have enjoyed participating in the annual Plein Air Paint-Outs and always look forward to the new exhibits, especially the *Artists of the 21st Century* by school children each autumn. As a new Board Member, I am already learning more about the broad scope of SAMA's offerings through outreach to schools and medical facilities. I look forward to representing Ligonier SAMA and promoting our programs and opportunities.

Joan Mudge  
SAMA Board of Trustees/Ligonier Valley

Please do not question the need for art in our lives. My friend at 74 has dedicated his entire life to music and will continue. Whether it is music, painting, sculpture, design or any other form of art, it enhances our lives.

The Ligonier Valley Art Museum and Education center does continue to enhance our lives. Please appreciate this wonderful asset, as I do.

Thank you for coming to the Garden Party. Enjoy your evening!

## Site Director's Welcome

Welcome, and thank you for joining us at the Southern Alleghenies Museum of Art at Ligonier Valley to celebrate the nineteenth annual Garden Party, "Woodstock: An Aquarian Experience".

The past year has certainly delivered its share of challenges. Now, it is time to safely move forward and groove your way to a new beginning! So, this evening, let us propel you back in time to enjoy a "summer evening of love"!

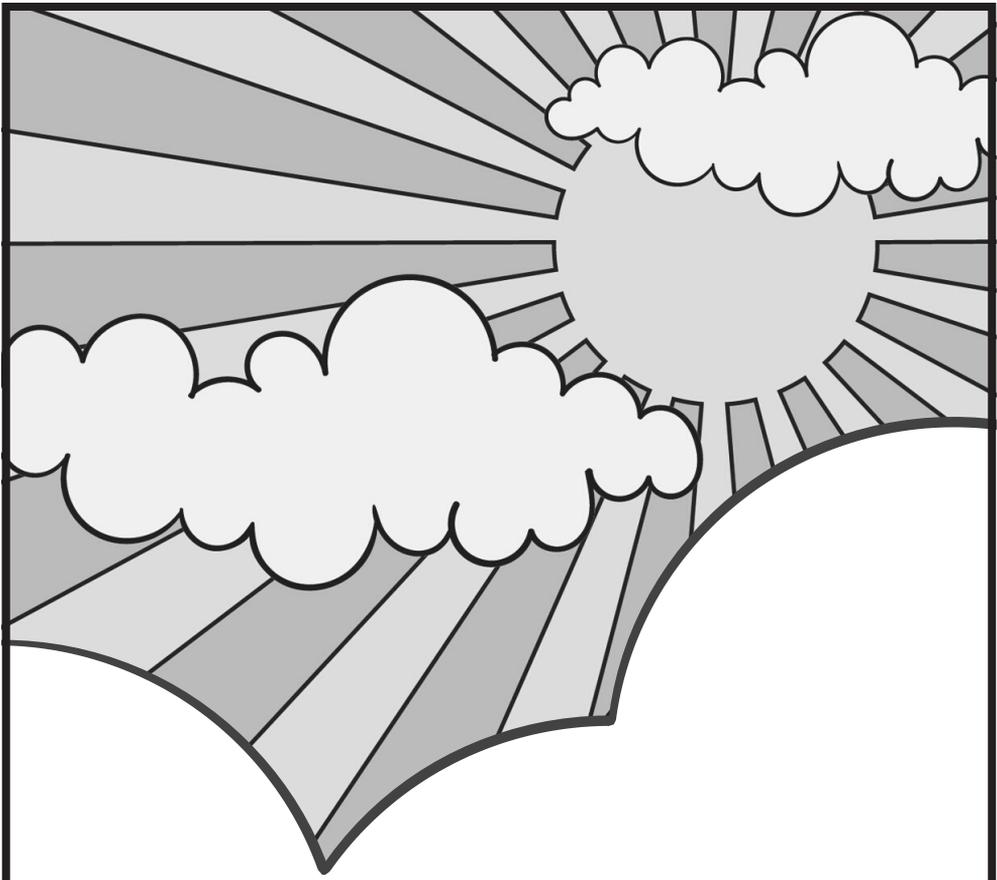

To start the evening, you will be treated to a magnificent exhibition titled, "Looking for the Light in Dark Times" by two amazing artists Jolene Joyner, and Joelle Summerfield. Meet and chat with this mother-daughter duo during the reception while enjoying delicious champagne and hors d' oeuvres provided by Myriam's Table.

Following the reception, follow our hippie friends to Woodstock where you will be greeted by live music, resident artists, and all the authentic Woodstock munchies you could ask for. Spend the evening throwing a clay pot, making a "love-bead" bracelet, or even try your hands at spin art while listening to the sounds of 60's and 70's. Stroll through the gardens and get some "flower power" or check out the Volkswagen Beetle or VW van for a "selfie"! You will especially enjoy the silent auction items and games of chance that await you on display in the Museum. Can you dig it?

This benefit would not be possible without the generosity and dedication of many hard-working individuals. We so appreciate the support of our devoted and enthusiastic auxiliary. Our deepest appreciation goes to the Auxiliary officers: President, Patricia Jones; Vice President, Jill Pifferetti; Recording Secretary, Susan Kiren; Corresponding Secretary, Mary Campfield; and Treasurer, Carolyn Turner. Thank you to the Ligonier Country Club for their time, help, and energy in putting together a delicious theme-based menu. Also, a special thank you to the Diamond Theatre for their exceptional entertainment! And a special thank you to the SAMA staff and Board of Trustees for their dedication and support to this organization.

We are especially grateful to all our Garden Party sponsors and donors. A huge thank you to Somerset Trust Company for their continued support. Also, thank you to Sendell motors for their contribution of the Volkswagen Beetle. And we at SAMA thank YOU for your continued support and look forward to many more years of exciting exhibitions and dynamic programming! Please enjoy and have a wonderful evening. Peace!
